Von Sarah Bradford : Elizabeth: A Biography of Her Majesty the Queen (Penguin Literary Biographies)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Elizabeth: A Biography of Her Majesty the Queen (Penguin Literary Biographies):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A who's

who of the British Royals....a name dropperVon an American in GermanyThe book itself provided an insight to the Queen that most people would not imagine. The problem is that the book is mainly heresy and fantasy given up by hordes of royals whose names are so numerous that the reader becomes quite confused (and bored). The overall idea is good, but if you want a quick, entertaining read, this is not the book for you. The constant name dropping and linking becomes quite irritating.

KurzbeschreibungSarah Bradford's Elizabeth is the definitive biography of the Queen, revealing the real woman behind the public figure - now celebrating her 90th birthdaySarah Bradford unravels Elizabeth's family secrets - how she was influenced by her father; her troubled relationships with her children; the story of her difficult marriage; and how this remarkable monarch has coped with the pressures of being a mother who is also the most famous woman in the world.'The only book that could overtake it is the autobiography, which in this case will never be written' Spectator'Bradford's forte, ever since she was a history-mad girl, is thinking herself into other lives' Daily TelegraphSarah Bradford is a historian and biographer. Her books include Cesare Borgia (1976), Disraeli (1982), winner of the New York Times Book of the Year, Princess Grace (1984), Sacherevell Sitwell (1993), Elizabeth: A Biography of Her Majesty the Queen (1996), America's Queen: The Life of Jacqueline Kennedy Onassis (2000), Lucrezia Borgia (2005) and Diana (2007). She frequently appears on television as an authority on her biographical subjects and as a commentator on notable royal events. She is currently working on a full scale biography of Queen Victoria. She lives in London.KurzbeschreibungSarah Bradford's Elizabeth is the definitive biography of the Queen, revealing the real woman behind the public figure - now celebrating her 90th birthdaySarah Bradford unravels Elizabeth's family secrets - how she was influenced by her father; her troubled relationships with her children; the story of her difficult marriage; and how this remarkable monarch has coped with the pressures of being a mother who is also the most famous woman in the world.'The only book that could overtake it is the autobiography, which in this case will never be written' Spectator'Bradford's forte, ever since she was a history-mad girl, is thinking herself into other lives' Daily TelegraphSarah Bradford is a historian and biographer. She lives in London.Synopsis Few people know the truth about Elizabeth II and her family. But biographer Sarah Bradford has spent the last ten years penetrating the Palace facade, uncovering unpublished documents and talking to courtiers, friends, politicians and employees, in order to try and build up a true picture of Elizabeth as both executive and mother. The result is not only a family saga spanning the century but also a portrait of a very private woman, which attempts to answer some of the questions so often asked about the royal family, and speculates on the future of the troubled Windsor dynasty.
