Charmant und bizzarVon S. KerschbaumerWer auf absurde, bse und etwas schaurige Geschichten steht und sich auf Emilys "strange" Welt einlassen will ist hier genau richtig- Emily ist nicht nur strange, sie verwandelt auch ihr

Umfeld- ob das un Mrchen von Aschenputtel in morbider Weise oder Begegnungen mit Monsterkindern am Schulhof sind, langweilig wird einem auf jeden Fall nicht dabei...

Kurzbeschreibung For years, pop-culture cultists have revered and adored a mysterious, brooding thirteen-year-old girl named Emily the Strange. Nobody knows much about the young girl with a porcelain face and huge eyes framed by black bangs, and her ever-present brood of black cats only adds to the intrigue but that hasn't stopped a generation of rabid fans from letting Emily put her spell upon them. Now, for the first time ever, Emily fans will be welcomed into her dark and, well, strange world a place where kitty friends talk, the ghosts of famous weirdoes come out to play, reality is never quite what it seems, and above all anyone who's ever been considered a little "strange" herself will be made to feel right at home. Dark Horse Comics and the creative minds behind Cosmic Debris are thrilled to present the first-ever Emily comic books, published as deluxe single issues with all-new stories and art. This issue features forty-eight pages of black, white, and red art (with the occasional outburst of full-color freak-outs!), illustrating a wacky range of Emily stories. Make sure to check out Emily's exclusive interview with punk-rock legends **The Damned**!

Synopsis For more than 10 years, pop culture cultists have revered and adored a mysterious, brooding 13 year-old girl named Emily the Strange. Nobody knows much about the young girl with a porcelain face and huge eyes framed by black bangs, and her ever-present brood of black cats only adds to the intrigue - but that hasn't stopped a generation of rabid fans from letting Emily put her spell upon them. Now, for the first time ever, Emily fans will be welcomed into her dark and, well, strange world - a place where kitty friends talk, the ghosts of famous weirdos come out to play, reality is never quite what it seems, and - above all - a place where anyone who's ever been considered a little "strange" themselves will be made to feel right at home. "Dark Horse Comics" and the creative minds behind "Cosmic Debris" are thrilled to present the first-ever "Emily" comic books, published as deluxe single issues with all new stories and art. Each issue of "Emily" comics will feature 48 pages of black, white, and red art (with the occasional outburst of full-color freakouts!), illustrating a wacky range of "Emily" stories.
