hilfreich. 20 verzaubernde Jahre Emma Von the_clairevoyant Wenige Wochen nachdem Emma Watson am 15. April 1990 in Paris das Licht der Muggle-Welt erblickt hatte, gebar Joanne K. Rowling in ihrem Kopf auf einer Zugfahrt von Manchester nach London die wichtigsten Figuren des Harry-Potter-Universums, darunter auch Hermione Granger. Hermione sollte Emmas Leibrolle für ein Jahrzehnt werden. David Nolan beschreibt Emma Watsons Kindheit als wohl behütet, wenngleich die Eltern, beide Juristen, sich früh trennten. Die meiste Zeit lebte sie bei Mutter Jacqueline in Oxford, an den Wochenenden besuchte klein Emma mit ihrem jüngeren Bruder Alex Vater Chris in London. Chris Watson war es, der seinen Kindern aus Harry Potter vorlas. Der zauberhafte Anfang war geschehen. Als 9-jährige gewann Emma nach elf Durchgängen das Vorsprechen für die Rolle der Hermione Granger in Harry Potter und der Stein der Weisen (Einzel-DVD). Die nächsten zehn Jahre sollten die nördlich von London gelegenen Leavesden Filmstudios (ein Teil davon ist seit 2012 Harry-Potter-Themenpark) Emma Watsons wahre Heimat werden, dort, wo sie sich bei den bekannten Gesichtern am Set und mit ihren zu Brüdern gewordenen Kumpels Daniel Radcliffe (Harry Potter) und Rupert Grint (Ron Weasley) sicher fühlte. Mit Originalzitatzen von Emma angereichert holt David Nolan jene Zeit fest, in der nicht nur acht Harry-Potter-Filme entstanden, sondern auch jene Parallelebene, in der Emma vom Kinderstar zur Frau heranwuchs. Er zeigt Miss Watson als kluge, zielstrebige und warmherzige Schauspielerin, die trotz der Dreharbeiten ihre Leistungen in der Oxforder Dragon School erbrachte und sich in der renommierten Brown University in Rhode Island einschrieb. Nolan geht auch auf Emma Watsons Seite als Fashionista ein, ihre Werbekampagne für Burberry bzw. ihren Einsatz für Fairtrade-Kleidung von People Tree. Daneben gibt's Infos zu ihren Filmen Ballet Shoes, My Week With Marilyn oder Vielleicht lieber morgen (engl. OT: "The Perks of Being a Wallflower"). 20 Jahre Emma Watson biografisch recherchiert und niedergeschrieben. Ein Nachschlagwerk und eine Fundgrube für Fans!

Kurzbeschreibung Now, as the most successful film franchise of all time comes to an end, author David Nolan takes an in-depth look at Emma's fascinating life and asks what's next for the GBP20 million a year actress... a young woman who admits she's not even sure she wants to act anymore. She's Hollywood's highest-paid female star with millions of fans all over the world and she's barely out of her teens. Emma Watson's life has been an incredible story, one in which a girl whose parents divorced when she was very young ended up finding stability on a film set among the cast and crew of the Harry Potter movies. A film set that became her home for the next ten years. Like her fellow stars of the franchise, she has had to live her early years out in public. As a nine-year-old, she had never acted professionally before she was cast as Hermione Granger - the character that author JK Rowling based on herself. These days Emma Watson has grown up to be a sleek, international star dealing with being part of a global phenomenon that shows no sign of diminishing even as it reaches its story's end. As much at home at a fashion show as she is at a film premiere, Emma Watson's every utterance is news - even her hairstyle makes headlines around the world. She's already been the face of Burberry and her passion for fashion runs very deep.
