Von Peter Milligan : Enigma (New Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Enigma (New Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Another five-star review thrown into a (black) holeVon master_control_panelThis book has many similarities to the best movie of 1999, Fight Club, only the Narrator didn't sleep with Tyler ... did he? Peter Milligan is one of the best writers around--his work is always worthwhile. Duncan Fegredo and Sherilyn van Valkenburgh's art brings the words to

gorgeous, comic book life. A comic book disguised as philosophy disguised as a comic book, or something. It could be a great film. Also, what are the sexual connotations of biting the heads off lizards?0 von 0 Kunden fanden die folgende Rezension hilfreich. A post-modernist existential pop narrativeVon J. YoungThe things that impress most about Milligan's tale are its ironic narrative and fully-developed characters. Packed with wit, but never too impressed with itself, Enigma is a must read for anyone whose idea of modern sequential art is stuck either with Bill Watterson's "Calvin and Hobbes" or Art Spiegelman's "Maus". Enigma is Milligan's smartest work to date, an idiosyncratic masterpiece of absurdity, super-heroics and the quest for identity.0 von 0 Kunden fanden die folgende Rezension hilfreich. Existentialism, Homosexuality and SuperheroesVon Katherine A. KellerReally, I rate this book a 17 on a scale of 1 to 10. This is the perfect introduction to the works of Peter MilliganChock full of Milligan's trademark wit and irony, I guarantee that inbetween belly laughs, this masterpiece will have you pondering your own place in the world.Milligan's style is perfectly complimented by the bold and quirky work of artist Duncan Fegredo.

KurzbeschreibungENIGMA is a thought-provoking post-modern tale of self-discovery and sexual identity told against the backdrop of improbable super-heroes and villains. Michael Smith lives a meaningless life of routine and boredom. But when Enigma, his favorite childhood comic book hero, inexplicably comes to life, Smith finds himself on an obsessive crusade to uncover the secret behind his improbable existence. Teaming with Enigma's comic creator, Smith encounters an insanity-inducing psychopath, a brain-eating serial killer, and a suicide-inciting clown posse as his quest uncovers hidden truths about both his idol and himself. This new edition of the Vertigo classic is written by Peter Milligan (JUSTICE LEAGUE DARK, RED LANTERNS) with kinetic art by Duncan Fegredo (SHADE THE CHANGING MAN). Collects ENIGMA #1-8.KurzbeschreibungENIGMA is a thought-provoking post-modern tale of self-discovery and sexual identity told against the backdrop of improbable super-heroes and villains.
