Politik und Religion in Irland Von Werner Neubauer Die EINMALIGE Flucht von Dan Donnelly aus dem Hochsicherheitstrakt im Norden Belfasts stellt die Politik Englands vor einige Probleme. Das Buch schildert nicht nur

in eindringlich spannender Form die Flucht und die Situation des Flüchtling und seiner Fluchthelfer, sondern gibt einen besonders intensiven Eindruck über die Position der Religion in dem zerteilten Land, der zerteilten Insel Irland. Sehr spannend, einfühlsam, persönlich.

Kurzbeschreibung On St Stephens Day 1960 Dnal Donnelly made his dramatic escape from the prison known as Europe's Alcatraz. Three years earlier, the teenage Dnal had been convicted of membership of the IRA in the first year of Operation Harvest. He was sentenced to ten years. Here he reflects on why he came to be on top of a prison wall risking his life. This is the story of a man who overcame the hurdles of his early years to live a successful, happy life.
