**Von Carl Moser : Escape Mobile Bill Shock Save \$\$\$ When You Travel (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Escape Mobile Bill Shock Save \$\$\$ When You Travel (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An excellent guideVon Astrid van DyckAn excellent guide to all aspects of saving money with mobile communications while travelling overseas. Every traveller who likes to take his/her smartphone, tablet or laptop on an international trip should read this book. Its destination guide covers every part of the globe, so no matter where you are going to, this book has the answers.

Kurzbeschreibung It is amazing how much money you can save on travel costs when using your cell phone / mobile phone, smartphone, laptop or other mobile device overseas. International roaming or global roaming can cost a fortune when you use your mobile phone for calls or data. Learn how to make cheap calls overseas and reduce your roaming data costs by using international sim cards, pre-paid sim cards, WiFi internet access and VoIP connections. A must-read book for every traveller who intends to use their mobile or cell phone overseas. This insiders guide has been written by Carl Moser, who has travelled extensively over many years for business and recreation. Cheap global roaming is easy to achieve when following Carls simple instructions. We all know someone who has returned from a business trip or recreational travel overseas only to experience bill shock! Carl has many tips to help you avoid breaking the bank while you are travelling. He explains how to choose the best value international sim card (or phone card) for the countries you are visiting and why you should take advantage of local sim cards. Learn how to set up and use call back services to save on the cost of international calls. Find out why you should use a dual sim (twin sim) system in your cell phone or take along a spare hand set when travelling. Discover what you need to know and what to avoid when holidaying on a cruise ship. This is a book you should definitely read before you travel and pack in your suitcase for reference while you are away. Recommended reading for parents whose older children intend to travel with their mobile devices.
