Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. An excellent book to get you started! Von Ein Kunde As someone who works privately with students, helping them with

admissions essays for law school, I highly recommend this book. When students call me in regard to assistance with their essays, I recommend that they first buy this book as a means to get started. The guidelines and essays have helped my clients not only to gather their thoughts, but also to organize and write them into interesting and creative essays. By the time they come to me for feedback and editing, they are well on the way to getting into the law school of their choice.

Kurzbeschreibung A successful law school candidate must be articulate and capable of clear, consecutive thinking--qualities that invariably translate into their written work. This updated manual instructs law school applicants on preparing the style of essay that is required for law school admission. Approximately 40 model essays originally submitted by applicants to leading law schools are presented in this book with a critique following each essay. General essay-writing advice is also included.
