Von Neil Gaiman : Eternals By Neil Gaiman (Eternals (2006-2007)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Eternals By Neil Gaiman (Eternals (2006-2007)):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A good book, beautifully renderedVon ThingyNeil Gaiman's take on the superhero genre. As always Gaiman knows not how to disappoint.This book will please everyone familiar with Gaimans other work.The god slash superhero story might not be everyones cup of tea, but it is told brilliantly and with caring. The quality of the drawings is an extra bonus that

makes this as close to art as comic books ever comes. If I had to compare it to one other book, it would have to be *Watchmen*, I hesitate to do that, since that would make this book sound worse than it is.
