Book review: EVEN KEEL - Life On The Streets Of Rock `N Roll by Ron KeelVon SMIn the eye of the storm or: Singing into the hairbrushMr. Ron Keel - born in Savannah, Georgia, USA as Rynia Lee Keel on March 25th 1961 is a well known singer and guitarist best known from STEELER and KEEL.Totally enjoyed Rons book and his journey through

space and time, it is an awesome read and a must have for every die-hard fan as well. Journalists, fans, also friends voices about Ron were included in this book which makes it a diversified read. Steeler and Keel they made a huge career in the 80`s. Rons stating all facts on his entire career from back in those days til present. Like facts that he nearly made it to be Black Sabbath`s new singer or about the fact that Ronnie James Dio choose KEEL to be his opening act for the entire Sacred Heart European tour. Nowadays Mr. Keel is positioned in Las Vegas and follows various musical projects as well as taking care of his awesome radio shows we all enjoy so much also he will launch another radio network later this year. Fast facts:- The 2nd and the 3rd KEEL album was produced by Gene Simmons- Scott Warren (Dio) was keyboardist for KEEL- Ron Keel nowadays broadcast his own radio shows- Back in the days guitar legend Yngwie Malmsteen was guitarist for Steeler Sadly cannot tell you more - you simply have to get this book and read it yourself! WILD WEST MEDIA ISBN: 9781619278226 Release Date: 2014 Ron Keel WEBB Buy Ron`s book by following this link [22.01.2015](#) by Rocket Queen Promotion SM

Kurzbeschreibung Ron Keel lived through the glory days of the 1980's Los Angeles Heavy Metal explosion as the lead singer for Steeler and Keel, spent a brief moment of time in Black Sabbath, and went on to reinvent himself in country music. Now known as the Metal Cowboy, this book is his story from the Sunset Strip to the cowboy bars and back again.
