This book challenges one to have complete faith in Jesus.Von Ein KundeI am in the process of reading this book and it has really opened my eyes to the power of faith. It is so easy to turn to the world for answers to problems. I have experienced the huge let down in making wrong decisions based on the world's standards which are so far from God's. Now I have true peace that gives me so much joy and love for those around me. This book focuses one's eyes back on

the true answer to any problems one can encounter in life: who is Jesus. Wigglesworth talks of many encounters he had with the power of healing through faith. In this book, the power and the glory of Jesus is manifested. God's loving ways and His sovereign being is truly exemplified. I am have been touched and blessed by this book. It reveals that it is possible to have faith that goes beyond all physical means and conquers all hardships. This is supplied only by Jesus Christ our Lord and Savior.0 von 0 Kunden fanden die folgende Rezension hilfreich. Wigglesworth lived in continual revival.Von Ein KundeWigglesworth lived in continual revival from the day he was baptized in the Holy Ghost in his middle-aged years. God took him from being a plumber and part-time minister to a global signs and wonders evangelist. Unlike similar figures, such as Alexander Dowie, he did not become unbalanced or succumb to spiritual pride because of the magnificent power flowing through his ministry. Late Wigglesworth is a magnificent blue print of what the Head of the Church would have we individual members of the Body of Christ become in these last days of the church age. Wigglesworth's life is a nearly perfect example of normal, healthy Christianity. In addition to this book, read Stanley Frodsham's fine spiritual biography "Apostle of Faith," and especially Hibbert's "Smith Wigglesworth, The Secret of His Power." Follow after him as he followed Christ, and you will live in continual revival too. Imagine thousands and millions of Wigglesworths, each walking in their own gifts and callings, and you have a fair picture of what Jesus would have the Church become.0 von 0 Kunden fanden die folgende Rezension hilfreich. Every page is life changing.Von Ein KundeI read this book about 2 years ago when I was 15yrs old, and then again, and I still haven't stopped. There is something new every time I read a sermon over. I have read many other books of Wigglesworth and his sermons and this has to be at the top of the list. This compilation of sermons would have to be his greatest in print. There is advice for every situation I'm ever in and I have decided to refer to this book for the rest of my life (second to the bible of course). Last night I read a chapter and it was one of the most awesome times I have had with God for a long while. God is so wonderful. I praise God for sending a man like him to meet the spiritual needs we have in the 20th century setting, and I pray he will continue to send great men of God like Wigglesworth. I can't even begin to tell you how much his ministry has touched me. "Ever Increasing Faith" is a book that every person, young or old, must read. It reveals to us our place in Christ and confronts every reader with a dare ---- a dare to believe.
