Von Richard Rohr : Everything Belongs: The Gift of Contemplative Prayer before purchasing it in order to gage whether or not it would be worth my time, and all praised Everything Belongs: The Gift of Contemplative Prayer:

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. It is strictly for those who want to once again "begin over"Von Father Joseph leppard (jmleppard@msn.com)As a Catholic Priest, I have always found Father Richard to be on sound bases; neither going right too far or left too far. I believe he is where the Spirit wants him in this book.He teaches us through this book that we can always begin each day a new;

looking and seeing differently; listening with the listening ear; and seeing with the seeing eye. I highly recommend this book to all - high school seniors, college students, parents, above all, to priest who have be lack in their own adult education. It is a book to have on your shelf when doubts about yourself, your faith and church come into conflict. It is a book that is an excellent tool to increase one's spiritual growth in union with God. Father Joseph 1 von 1 Kunden fanden die folgende Rezension hilfreich. It's True! -- "Everything Belongs!" Von B. Mieruch While one may not necessarily agree with each and every point in Richard Rohr's writings, it is always worth it to study one of his books, in order to glean the wonderful gems and jewels of wisdom from among the 70 or 80% of his views that one can agree with. The amount of fundamental, life-changing truths, and their radical, on-the-button-ness makes up for any minor discrepancies or disagreements the reader might have with him. "Everything Belongs" has been the best of his books I have so far read, and it was well worth it, although it does take time to absorb all he's got to say. You can't just put it down and keep living the same way as before, or you'll become a hypocrite. It's great to know that God still talks through people, even in our day age! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Rohr's new book demonstrates the wisdom of age! Von Ein Kunde Richard Rohr never leaves you feeling comfortable, and this book continues his prophetic posture. Christianity for Fr. Rohr is a personal commitment to the cross, nothing less. His own brush with death, his faith, and age bring him wisdom which is worth contemplating. He leaves me desiring to know more about the Third Way. His best work yet, in my opinion.

Kurzbeschreibung This popular and bestselling book of the renowned Franciscan challenges people to move beyond the comfort of a settled life toward an understanding of themselves that is rooted in their connection to God. Only when they rest in God can they find the certainty and the freedom to become all that they can be. Contemplation has its place at the heart of Christianity, a place that allows people to experience how everything belongs.
