**Von John Barnes : Evita, First Lady: A Biography of Evita Peron** before purchasing it in order to gage whether or not it would be worth my time, and all praised Evita, First Lady: A Biography of Evita Peron:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Evita's life was frightening and fascinating!Von Ein KundeI have been curious about Eva Peron for years now, and after finally reading this book I have "slaked my thirst for the knowledge of this woman's good deeds," like schoolchildren

in Argentina at the time of her death. Eva's life was hard, but what she made of it is simply incredible to read. She is to me someone to be both criticized for her over-zealous methods and praised for her undying efforts to help her people. This book opened my eyes to her life in a way Lloyd Webber never can. It's also a less-daunting read than tackling Eva's own rhetoric and Spanish in "La Razon de mi Vida." 0 von 0 Kunden fanden die folgende Rezension hilfreich. One of the more comprehensive Eva Peron biographies Von Ann Cardinal This is the sixth biography of Evita that I have read in as many weeks, and I found it to be one of the better ones. Mr. Barnes offers historic and political details in a manner that is comprehensible to the non-scholar. Although he does incorporate some of the gossip, he focuses primarily on the facts. It would be impossible to write an accurate biography of such an important political figure without giving some historical background. I found this book to be an easy read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. too politically enhanced Von Ein Kunde After reading this work of literature, I was unhappy with such a biography that spent too much time discussing the political happening instead of giving insightful looks at the true character of Eva Peron. I enjoy the fascinating statistics of her life, but the author did not add much insight to it's greatness, as Evita rose from poverty to conquer the people, especially the poor, of Argentina. Too much politics!

Kurzbeschreibung Eva Peron was a star and a legend during her lifetime, one of the most alluring women of the twentieth century. Through the hit Broadway musical Evita by Andrew Lloyd Webber, her story became famous, and with the release of the film starring Madonna as Eva Peron, her life became a media obsession once again. Whore and feminist, tyrant and saint, Evita was the beautiful and legendary woman who rose up from poverty to become the hypnotically powerful first lady of Argentina. To millions of poor people she was a savior; to her enemies she was a monstrous dictator. In this riveting biography, John Barnes explores the astonishing paradox of this champion of the poor who attacked the rich and, in the process, made herself the wealthiest woman in the world.
