Ganz ok.Von Agnes PinguinTotal unerschütterlich was diese Frau wirklich will hangelt man sich mit ihr durch dieses ganze Buch. Keine Ahnung was für ein Motorrad und ohne jegliche Erfahrung reist sie dann doch endlich los und verbleibt nicht als Rafting Lehrerin irgendwo in Australien.Hier fehlt mir das Motorrad feeling und das viele hin und her der Autorin hat es auch nicht grad besser gemacht...An manchen Stellen findet sie allerdings dann doch gefallen am Motorrad fahren und dann wird das Buch wieder gut.

KurzbeschreibungIn 2010, after the closure of her dream business, Jill Maden sets off to tour Australia - alone on a motorbike. Weighed down by seven stone of luggage and a crushing sense of failure, her riding skills rapidly deteriorate. Freezing weather, violent winds and treacherous road surfaces all add to her fright.Jill almost decides to give up and buy a car. But the need to overcome her fears pushes her on. Testing her resolve, Australia throws everything it has at her: the worst floods in living memory, extreme heat, plagues of insects, torrential downpours, hurricanes, isolation and her ultimate nightmare, gravel roads. But turning back is not an option.What results is an exciting and heart-warming adventure through a vast, staggeringly beautiful but unforgiving landscape.KurzbeschreibungIn 2010, after the closure of her dream business, Jill Maden sets off to tour Australia - alone on a motorbike.
