**Von Mavis Jukes : Expecting the Unexpected (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Expecting the Unexpected (English Edition):

Kurzbeschreibung Twelve-year-old River doesnt know what to expect when she walks into Mrs. Gladys B. Furley, R.N.s sixth grade Human Interaction class. Mrs. Furleys innovative approach to sex education includes the suggestion that her female students test out a pad or two. River, who hasnt started her period yet, finds herself anxiously waiting for the boxes of pads to be open in the bathroom at home, knowing full well her sister would have had to use one. But months go by before the boxes open. Could someone be expecting? In this charming novel, River becomes more aware of lifes challenges, but manages to survive them all with a little help from Mrs. Gladys B.

Furley. Kurzbeschreibung Twelve-year-old River doesnt know what to expect when she walks into Mrs. Gladys B. Furley, R.N.s sixth grade Human Interaction class. Mrs. Furleys innovative approach to sex education includes the suggestion that her female students test out a pad or two. River, who hasnt started her period yet, finds herself anxiously waiting for the boxes of pads to be open in the bathroom at home, knowing full well her sister would have had to use one. But months go by before the boxes open. Could someone be expecting? In this charming novel, River becomes more aware of lifes challenges, but manages to survive them all with a little help from Mrs. Gladys B. Furley.
