Schuster Aus diesem Reisefuehrer konnten wir sehr nuetzliche und interessante Informationen entnehmen. Er ist gut aufgebaut und macht Lust auf mehr.

Kurzbeschreibung The most up-to-date, most comprehensive guidebook to the state of South Carolina. Beaches and golf are what most people think of when they think of South Carolina, and the state has those amenities in abundance. But off the well-worn paths are battlefields from both the Revolutionary and Civil wars and significant guide- posts in African American history. South Carolinas culture has great variety too, from classic Southern attitudes and food to the Geechee-Gullah Cultural Heritage Corridor in the Lowcountry and the Palmetto Trail and Scottish influences Upstate.
