Von Qasim Rashid : Extremist: A Response to Geert Wilders Terrorists Everywhere (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Extremist: A Response to

Geert Wilders Terrorists Everywhere (English Edition):

Kurzbeschreibung Terrorists and anti-Islam extremists are both wrong about Islam. Qasim Rashid proves just that in *EXTREMIST: A Response to Geert Wilders Terrorists Everywhere*. Rashid debunks extremists head-on, clarifying important issues like Islam's view on free speech, women's rights, and Jihad among many more. He writes for non-Muslims and Muslims alike, asking you to stand for a narrative of moderation, civility, and compassion and against the extremist narratives of Geert Wilders and all terrorists. Rashid empowers you with a tool extremists don't have: knowledge of Islam, and invites you to join the fight for tolerance.
