KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Perfect for Beginners and Intermediates. I love it.Von TJBack in school I was very interested in drawing and sketching. I was great in geometrical things and landscapes but always struggled a little bit in faces. I chose this book to brush up my skills and it's great. It's very well structured and enjoyable.You start off with basics mixed with training parts and hints to improve your skills on your way through the book. Skip parts if you like and repeat practices if you want. I'm in the middle of the book and started with 3/4 views.Overall a superb book that I can fully recommend to everyone who wants to raise their level in portraits and caricatures. A+In meiner weit zurckliegenden Schulzeit war ich immer sehr interessiert am Malen und Zeichnen. Geometrische Dinge und Landschaften gelangen mir immer sehr gut wogegen Gesichter immer etwas knifflig waren. Ich habe mich fr dieses Buch entschieden um mein Knnen aufzufrischen und

finde es klasse. Es ist durchdacht aufgebaut und angenehm zu lesen. Man startet mit Grundlagen gemischt mit Übungsmöglichkeiten und Tipps um sein Können zu verbessern, während man im Buch voranschreitet. Man kann wenn man will Seiten auslassen oder einzelne Modelle wiederholen. Ich bin mittendrin im Buch und habe gerade mit den 3/4-Ansichten begonnen. Alles in allem ein hervorragendes Buch das ich absolut empfehlen kann für alle, die ihr Können bei Portraits und Karikaturen verbessern wollen. 3 von 3 Kunden fanden die folgende Rezension hilfreich. Gelungenes Buch nicht nur für Anfänger. Von Tuncay Erol Ich arbeite seit langem schon als professioneller Karikaturist und konnte mir von diesem Buch doch noch was abschauen. In zahlreichen Beispielen erklärt der Autor leicht nachvollziehbar Bild für Bild die Erstellung einer gelungenen Portraitkarikatur. I work as a caricaturist for years and even I could learn some tricks about drawing caricatures. In a lot of step-by-step caricatures the author shows his technique easy to understand for pros and beginners. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr hilfreich. Von Torsten Mder Ich selbst zeichne seit Jahren, aber dieses Schritt-für-Schritt ist sehr hilfreich, um Mimiken besser lesen und zeichnen zu können. Mich bringt es weiter und es ist sehr gut gezeichnet.

Kurzbeschreibung Discover the fast, fun art of drawing comic portraits! Face Off shows you how to draw life like never before. Caricaturist Harold Hamernik shares the secrets to capturing the sillier side of friends, family, celebrities, strangers - any face that crosses your path. 40 step-by-step demonstrations show you how to sketch whimsical and expressive likenesses while developing your own quick, loose, improvisational style. You'll get expert instruction on: Drawing eyes, noses, mouths and other features. Creating portraits in front, three-quarter and profile views. Adding color to your caricatures, either by hand or via computer - instruction you won't find in any other book! Tips for making a likeness more masculine (skip the eyelashes), more feminine (lengthen the neck), younger, older, sexier, goofier . . . all while making a portrait your subject will love. How to draw hair as two simple lines, why drawing the parts of a face in the same order every time can cut minutes off your work, and tons of other handy tricks of the craft! Practice the simple techniques in this book, then start drawing! It's the most fun you can have with paper, pencils and markers!
