DO YOU NEED YOUR LIFE TRANSFORMED?Von Ein KundeWhen the Bible tells us to "Bless the Lord oh my soul..." this book will help you to bless the Lord. This book scripturally guides you into speaking out the attributes of God, the works of God, our relationship to God and others, and the character of God we want to cultivate in our lives. There is

nothing better than planting the seed of God's word in your life..allowing God to water it through His Word..and seeing it grow..seeing it change and transform us into His image. This book scripturally helps you to also plant seeds in God's garden...by blessing Him, telling Him how wonderful He is, but loving Him, and telling Him how grateful we are.If you have ever had trouble knowing where to start in prayer...or if you are a seasoned prayer..this book, taken directly from the Word of God will enable you to speak out the life-giving, life-changing seed of the Word of Almighty God.0 von 0 Kunden fanden die folgende Rezension hilfreich. A terrific guide to full and meaningful prayerVon Anne S. Mette (amette2000@aol.com)As a newly "re-found" Christian, I found this book a great source to learning how to pray again. I didn't want to call on God only from desperate need, nor did I want to thank Him only when things were going great. This book is a terrific guide to a daily time of purposeful prayer with God. It takes us step-by-step through Praise, Confession, Renewal, and Intercession,(among others), using scripture verses right from the Bible. The premise is that by praying God's own promises and glories as written in the Bible, we can more align ourselves with His will and more fully realize Him in our lives. On the same vein, I really appreciate "Praying the Bible for your Marriage" by David Heather Kopp.
