Von Scoop Malinowski : Facing Federer (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Facing Federer (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. InteressantVon SabiVom Thema her ist das Buch sehr interessant, der Druck erscheint mir aber doch etwas billig, auch sind in dem Buch zahlreiche "Druckfehler" enthalten, was das Lesevergnngen stellenweise doch betrchtlich

einschränkt. Dennoch macht es Spaß, so viel Nettes und Bewunderndes über Roger Federer zu lesen.

KurzbeschreibungIt's one thing to watch Roger Federer play tennis, it's quite another to actually compete against him on the court. In this book, ATP players like Agassi, Rafter, Hewitt, Nadal, Canas, Blake, etc., discuss their memories and experiences of their professional matches with Roger Federer. Also, as a bonus, many tennis insiders, officials, journalists, photographers, celebrities, fans and ballkids share their unique perspectives and anecdotes of encountering Roger Federer.
