However, he is a well-organized, well-trained, and well-balanced theologian. He is a professor of

Excellent Biblical theo. with renewed emphasis on communityVon Dean LuurtsemaMcgliore has rewritten "classic" christian theology in light of the trinitarian, loving, community God who is self giving, other affirming. He expands this concept to include the kingdom of God and its good news to the entire created reality. This is a must read.0 von 0 Kunden fanden die folgende Rezension hilfreich.
