Von Rainbow Rowell : Fangirl: A Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised Fangirl: A Novel:

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. A very fun book which I am going to reread.Von Books_to_get_lost_in(actual rating: 4.5)A very fun book which I am going to reread.Can I start with saying how great it is that the female characters in this book work together?! How often does that happen in books? I especially liked how even though one of the girls is the ex of the male love interest, she is not

portrayed as a good for nothing b**ch? Far from the opposite to be honest. I really enjoyed that there is no bad boy type. I'm really bored how so many of the love interests are (wannabe) bad boys and are truly just a**h*les. But there is more to this story. We finally have a socially anxious character who truly is socially anxious. No 'telling but not showing'. We get to experience Cath's social anxiety and I could really see myself in her. Social situations are scary and there are so many things that could happen and things that you have to consider and it's just really, really stressing, okay? If you are a love of fanfictions you might really enjoy Fangirl, because fanfictions have a big part in this story. It kinda reads like a love note to fanfictions and I love it. The only thing I'm able to criticize is that the fanfiction Cath writes is different from Carry on - which is kinda her fanfiction published in its own novel (and written by Rainbow Rowell of course). Does that make sense? Anyway, I've read the novel Carry on first and there are some passages from the fanfiction Carry on in Fangirl but the passages aren't in the novel Carry on. I'm so sorry if you are confused now. This critic is not important. I just have one more thing to add: The writing is perfect for this story, it's so flowing... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Always be magical Von Kathi I read Rainbow Rowell's book Eleanor Park a few years ago and really liked her writing style. When Fangirl was a Kindle Deal, I bought it and started reading it. The book is about Cath who is new to university. Her twin sister Wren does not want to do all the same things as her sister anymore, so Cath is left alone. She is very shy and does not feel good around people and she loves fan fiction with all her heart. Reagan and Reagan's boyfriend Levi try to get Cath to meet people and get more confident about going to university, but all Cath wants is to write fan fictions about Simon Snow. First, I have to say, and I don't know what it is, but Rainbow Rowell's writing style is something else. The way she writes about her characters and about certain situations totally suck you into the story. Everything sounds so real to me and as I started university last year I totally get a lot of points Cath talks about. University can be a scary place, but you learn a lot from it. I see a lot of myself in Cath to be honest. She is shy, is always worrying about her loved ones, loves to read and does not want to grow out of her habits, because these habits help her to cope with everyday life and new situations. I do exactly the same, even if I don't write fan fiction as Cath does. She is a very lovely young woman, who learns a lot in her first year at university. She feels very real, because she is not one of those perfect girls, but has flaws and makes wrong decisions. I also like Levi a lot. He is a really nice guy, even if he screws up, but he always tries to make his fellow human beings feel special. And he is always there for the people who need help. All the other characters in this book sounded real too and some of them were really nice. Something I found super interesting were the bits and bobs about Cath's fan fictions. It is so fascinating that the author wrote a fan fiction about a book that does not even exist! I enjoyed reading about all those small excerpts from several stories Cath wrote. And I think I might read the book about Simon Snow called Carry On too, just to know what happens to the characters. I really enjoyed reading this book and I also have to say, that the cover looks so nice, it's beautiful. I'm looking forward to reading more from Rainbow Rowell. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Buchbewertung ohne Spoiler Von Anina Ich finde grundstzlich eine Buchbewertung ganz ohne Spoiler etwas schwierig. Und ber Geschmack lsst sich sowieso streiten. Manche Abschnitte haben mir im Buch wirklich gut gefallen -z.B. die Liebesszenen oder das Collegenleben im Allgemeinen. Dann gab es aber auch wieder Abschnitte mit denen ich persnlich berhaupt nichts anfangen konnte -z.B. die Fanggeschichte, die zwischendrin im Buch immer wieder vorkam. Der Titel FANGIRL verrt zwar bereits, dass es um Fanfiction geht, aber ich fand die Geschichte einfach langweilig. Das hat mich dazu gebracht sie teilweise zu berspringen. Wer gerne ausfhrlich "Fanfiction" in einem Buch liest, dem wird das Buch sicher gefallen. Ich gebe dem Buch aber leider nur 3 von 5 Sternen. Schade, denn nach dem Hype wollte ich wirklich, dass es mir so gefllt wie vielen Anderen.

Kurzbeschreibung #1 New York Times bestselling author! In Rainbow Rowell's Fangirl, Cath is a Simon Snow fan. Okay, the whole world is a Simon Snow fan, but for Cath, being a fan is her life-and she's really good at it. She and her twin sister, Wren, ensconced themselves in the Simon Snow series when they were just kids; it's what got them through their mother leaving. Reading. Rereading. Hanging out in Simon Snow forums, writing Simon Snow fan fiction, dressing up like the characters for every movie premiere. Cath's sister has mostly grown away from fandom, but Cath can't let go. She doesn't want to. Now that they're going to college, Wren has told Cath she doesn't want to be roommates. Cath is on her own, completely outside of her comfort zone. She's got a surly roommate with a charming, always-around boyfriend, a fiction-writing professor who thinks fan fiction is the end of the civilized world, a handsome classmate who only wants to talk about words . . . And she can't stop worrying about her dad, who's loving and fragile and has never really been alone. For Cath, the question is: Can she do this? Can she make it without Wren holding her hand? Is she ready to start living her own life? And does she even want to move on if it means leaving Simon Snow behind? A New York Times Book Notable Children's Book of 2013 A New York Times Best Seller! Pressestimmen Absolutely captivating (Kirkus s (starred review)) A funny and tender coming-of-age story that's also the story of a writer finding her voice... touching and utterly real. (Publishers Weekly (starred review)) Authentic dialogue, a remarkable empathy with adolescents and an honest portrayal of young, vulnerable love make this a

riveting read. (Lancashire Evening Post) This novel is funny, sad, clever and entertaining. (Armadillo Magazine) A treat for teenage girls on the lookout for a novelistic take on first love... clever enough to keep you reading on. (The Daily Telegraph) Werbetext A love story about opening your heart by Rainbow Rowell, the New York Times bestselling author of Eleanor Park - Fangirl comes with special bonus material; the first chapter from Rainbow's magical novel Carry On.
