Von Jacqueline Herald : Fashions of a Decade: The 1920s before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fashions of a Decade: The 1920s:

KurzbeschreibungAs the fabric of society changed, fashion took on a life of its own - exploding with new colors and trends - alongside the innovative rhythms and styles of jazz music. This work describes the clothes of the flappers of Jazz Age. It revisits an important part of social and cultural history. Pressestimmen., "excellent photographs and illustrations, many from ads and magazines of the era..." KurzbeschreibungAs the fabric of society changed, fashion took on a life of its own - exploding with new colors and trends - alongside the innovative rhythms and styles of jazz

music. This work describes the clothes of the flappers of Jazz Age. It revisits an important part of social and cultural history.
