Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read Too Von TeensReadToo This book contains short, interesting biographies of important women who have a place in history, but whom you may have missed. Women like Nellie Bly pretended to be insane to write about

the conditions in New York 's notorious mental institution - "The Woman's Lunatic Asylum on Blackwell's Island." Or Margaret Bourke-White, whose photos of the holocaust were used as evidence against Nazi leaders after the war. All of the women journalists fought for what they believe in and took enormous risks. FEARLESS FEMALE JOURNALISTS covers women from different parts of the world, past and present, who help shape the world by giving a voice to important issues like the holocaust, women's roles in society, the Taliban, cancer, and more. Kurzbeschreibung Ten inspirational biographies of women who risked everything including their lives to bring us the world's stories. Whether reporting from the front lines or the anchor desk, they pushed the boundaries of print, radio, TV, and internet journalism. By reading about their lives we learn the history of modern journalism. From abolitionist Mary Ann Shadd and stunt reporter Nellie Bly to feminist Doris Anderson and pioneering photojournalist Margaret Bourke-White. On to TV legends Barbara Frum and Katie Couric the first woman to be the solo anchor of a US network news desk and sports reporter Pam Oliver. Learn about murdered Russian war correspondent Anna Politkovskaya, courageous Afghan journalist Farida Nekzad, and South African Thembi Ngubane, who recorded her own fight against AIDS. Their personal stories will inspire you as much as their intrepid journalism.
