and raise my family and be a help mate to my husband as God intended". "Women's Lib" has made it almost impossible for a woman to be a WOMAN as we were made to. This book takes a biblical stand for women everywhere to do what we were created to do. BE A WOMAN. A Wife, A Mother, A Home Maker. Jani stands up and says that this is a viable way for a woman to live. That it is just as gratifying if not more so as working in the work place. It is a must read for ALL TRUE WOMEN.

Kurzbeschreibung Women today seek encouragement and affirmation as they confront their own questions, doubts, and fears about womanhood.
