Von Ein Kunde When Natalie Armstrong graduates from high school, she decides that she wants to go on a search to find her birth mother and learn about her adoption. Her curiosity takes her to the small town of Simmon's Mills. There she meets old Dr. Therrian the man who helped arrange Natalie's adoption. While talking to this dying man she finds out her mother's name. Her real mother's name. But there Natalie

is at a dead end. Later, after careful searching Natalie decides to go to New York. This book holds you in its grasp to the very last page. The gripping truth of a young girl's search to find her past is painstakingly real. Lois Lowery has once again created a masterpiece. A must read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. 3rd times a Charm Von Ein Kunde I have read this book, Find a Stranger, Say Goodbye 2 times now and it is the BEST book I've ever read. Natalie Armstrong had everything beauty, great boyfriend, an early acceptance into collage, a great family, but one thing was missing: Who is my real mother? As Natalie searches for her mother over the summer she has some tough times. But finally she finds her mother. She was happy but not as happy as she would have liked to of been. I highly recommend this book to anyone who is adopted and wants to find who their biological parents are. 0 von 0 Kunden fanden die folgende Rezension hilfreich. It pulls you in! Von Ein Kunde This is about a girl named Natalie who is adopted. She loves her family very much but still wants to find her birth mother. At first her parents aren't crazy about the idea. Finally they give her the summer to search. She thanks them and starts right away. In the end she is grateful that she can stop wondering but also glad she has her parents!

Kurzbeschreibung Natalie Armstrong, an attractive, happy teenager about to enter college, sets out to discover the parents who gave her up at infancy.
