**Von Selena Sarns : Finding God in the Hunger Games: 30 Devotions to Inspire Faith (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Finding God in the Hunger Games: 30 Devotions to Inspire Faith (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. nice

Interpretation of the Hunger Games Von Christian Schultz I like the Text. It is well grounded in the bible. I Wonder if the author really thought about the scripture when she wrote the novels.

Kurzbeschreibung The Hunger Games has swept into popularity for good reasons it's a great series. And though God is never mentioned in Suzanne Collins books, there are many spiritual themes that run beneath the story line. Finding God in the Hunger Games contains 30 devotions based on lessons that can be learned from the Hunger Games series. Written from an evangelical Christian perspective, this book will inspire those who want to grow closer to Jesus Christ and understand Biblical principals as they are illustrated in Collins work. These biblically-based devotions contain spoilers to the series and are not part of the Hunger Games series.
