Von Philip Yancey : Finding God in Unexpected Places (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Finding God in Unexpected Places (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. A spiritually rewarding read.Von Ein KundeWhen I read the first paragraph in the first chapter I turned to my wife and said"Oh, I'm going to like this book." I was wrong, I love this book. As a long time minister of the gospel, I was amazed that someone had put into words some of the very same thoughts and anxieties that I have experianced and

then given me such a simple solution to the problems that I have encountered in my own spiritual walk. I kept reading words that were so uplifting that I found myself sharing these words of wisdom with my friends and family. I was inspired by his simple insight into so many of the "common" problems that we all face in our voyage thru this life and their solutions. There are so many wonderful quotes both from the secular world and the Bible that I found myself writing down the comments to be used in future sermons. This book is loaded with topics that will preach. I have recommended this book to numerous Christian and non-Christian friends and co-workers. I believe that no matter what your present and/or past relationship with Christ is, when you read this book you will find yourself being inspired, uplifted spiritually, entertained and smiling. When I read chapter 23, Russia's Untold Story I set on my sofa and cried and at the same time I was ashamed for not having realized the truth and reality of the suffering of the Christians of that country. I told a friend of mine about this book and he said that the only book he needs to read is the Bible. It is by far the best and most important but if anyone fails to read this book they surely will miss one of God's true blessings. I think that the best part of this book is that it conveys wonderful spiritual truths without being "preachy". I will read more from Mr. Yancy.

2 von 2 Kunden fanden die folgende Rezension hilfreich. **BALANCED, INTELLIGENT CHRISTIANITY** Von Ein Kunde Philip Yancey always reaches and resonates with a depth that touches both mind and heart. I heartily recommend this book to anyone who loves worthwhile reflections on responsive, genuine Christianity. This is one of those rare Christian authors who can be read through two and three times a year and never get stale. Five and a half stars. Great job Philip. Keep it up.

Kurzbeschreibung God is not only to be found in majestic cathedrals or supernatural visions, shows best-selling author Yancey, but also and often more powerfully in the unexpected places - the might of a polar bear, the oppression of a Peruvian prison cell or in the broken cry of Shakespeare's King Lear. As we discover God's footprints in increasingly unlikely places, so our understanding of his beauty, love and power continues to grow. Finding God in Unexpected Places will sharpen your spiritual vision and challenge you to look for God outside the four walls of the church. he may not be as far away as you think. In this updated edition of an already-popular title, Yancey has removed nine of the chapters that he felt had become dated, and added another fourteen brand new chapters.

In this updated edition of an already-popular title, Yancey has removed nine of the chapters that he felt had become dated, and added another fourteen brand new chapters.

Synopsis Miraculous cures. Angelic revelations. Sky-rending visions. Isn't God most obvious in the spectacular? Not always, says best-selling author Philip Yancey, in this compelling look at God's sometimes surprising ways. "As a Christian journalist," he writes, "I have learned to look for traces of God." And he has found God's footprints in many places: in the wonders of a polar bear, in the oppressive prisons of Peru and Chile, and even as he's reading the plays of Shakespeare. **FINDING GOD IN UNEXPECTED PLACES** is an inspirational collection of writings that document Yancey's unique and refreshing insight into the ways God reveals himself to us. Hardback edition previously published in UK by Summit. This is the first time the title has appeared in paperback.
