FANTASTIC!! Von M. Harless As a fellow Kentuckian, my hat and heart is off to Janie (Chris) for this wonderful,

precious account of her journey to protect her daughter. I don't know that I would have had her strength to make such a decision, but then I never had to. God bless you, Janie, for sharing all the details of your struggle to save Ellen, and bring yourself to a complete understanding with your God. I know this book will bless all who read it.0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is shows bravery at its fullestVon Ein KundeI first heard about this book from Janie herself. She was a teacher of mine in college. She told us her amazing story and I could not wait to read the book, well I finally have. This book touched me personally because I know Janie and because so many young girls don't have mothers like Janie. I think that she has proven that it takes courage to go the distance she did to protect her daughter.0 von 0 Kunden fanden die folgende Rezension hilfreich.
