hilfreich! Von Elke Pfitzer Es war genau das Richtige zur richtigen Zeit! Endlich habe ich Kategorien, um die Mitte des

Lebens zu interpretieren! Buford hilft wirklich mit all den Interviews in einer sehr thematischen Struktur.

Kurzbeschreibung Author Bob Buford called them code breakers. They are people age 40 and older who have pioneered the art of finishing well in these modern times, and who can teach us to do the same, starting today. Buford sought out 60 of these trailblazers including Peter Drucker, Roger Staubach, Jim Collins, Ken Blanchard and Dallas Willard and has recorded their lively conversations in these pages so that they can serve as mentors in print for all of us. Twenty years from now, Buford writes, the rules for this second adulthood as a productive season of life may be better known. But for now, we're out across the frontier breaking new ground. Buford gives you a chance to sit at the feet of these pioneers and learn from them about Finishing Well so that you may shift into a far more fulfilling life now, no matter your age. A life of significance that will be a legacy for future generations too.
