**Von Laura Pepper Wu : Fire Up Amazon!: Tweak Your Amazon Listing Sell Way More Books (Book marketing guides) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fire Up Amazon!: Tweak Your Amazon Listing Sell Way More Books (Book marketing guides) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. great marketingVon V. Foxtips, even if not all of them are working any more. but I guess that's just a problem with our fast changing digital world. everything else is really helpfull! greetings from a fellow author from Switzerland (with a english translation out ;-)) that's why I bought the book)

KurzbeschreibungFACT: Most authors and publishers don't know about the true power of . wants you to sell more books. You sell more books, they make more money, everyone is happy. But, are you using the plethora of tools and resources makes available to its authors to encourage sales?Have you optimized your visibility on so you can discovered by new readers?Is your listing doing you and your book justice?By simply picking up this book and implementing the 20+ tools and strategies I walk you through (with images), youll be well ahead of the game in terms of discoverability, exposure, and desirability."I HIGHLY recommend you buy this book immediately that is, if you are an author and want to actually make money. Fire Up is absolutely chock-full of value on how to make the most you can by selling through the Kindle platform. Lauras great ideas and clear implementation plans are overflowing in this book. Get your pen and paper ready though I filled pages with notes. On top of all that a lot of fun to read, too!- Roger Brown, author of Speed Reading, Procrastination 8 quick fixes other titles"With 10 titles between my husband and I, we depend on s generous royalty payments to fund the other projects we love to do software and video game development. Weve been tracking metrics on for a long time, and weve learned what works and what are just gimmicks. Never before has making a living from writing and publishing been on such a level playing ground!Perfecting your presence on is the backbone of any good book marketing campaign for an independently published or unknown author. Dont start your book marketing without making sure your listings are as good as they can be.This guide is divided into two sections: Be Visible Be Irresistible. Self-Publishing offers so much potential, but the obstacles are high and frequent. The modern day writer needs to understand as much as their writing, and Fire Up offer the tools to achieve this. Laura takes you on an entertaining journey about defeating . I thought I understood the process, but there were plenty of tips to be found. "This short read will save you plenty of headaches. I suggest you take a load off and grab a copy today!" Matthew Turner, author of Beyond ParallelThis guide is great for new self-publishers who want to lay solid groundwork from the beginning, OR for authors who already have their books on but know they could sell better on the worlds largest bookstore. At just \$4.99, you'll be sure to make your money back and then some. Get your copy today and start harnessing the power of right away.KurzbeschreibungFACT: Most authors and publishers don't know about the true power of . wants you to sell more books.
