nowdays. Especially on themes dealing with love. A notable expression on 1Corr 11:13 "that love is better than hope faith OR even his expression on man having words sound like angels, without love it is just like a dog. Our love today for the Lord must be very deep and strong rooted in the word of God. Mr Hays book on Corrinithians will greatly help those new souls and new church established themselves well on the word love for God. I would rather love God now and earn a place in heaven rather than hating him and deported to hell.

Kurzbeschreibung Paul's first letter to the Corinthians was addressed originally to a fledgling mission church in Corinth. Paul's absence from the church had allowed serious problems to arise within the Corinthian community, but the problems that he addresses in this letter do not always seem based on explicitly theological ideas. The brilliance of Paul, though, is that he frames the issues in theological terms and reflects on them in the light of the gospel. Interpretation: A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry.
