Fish Camping and Other StoriesVon Lieselotte HorstkotteIch hatte Herrn Leue im Frhjahr fr einen Tag mit einer Stadtfhrung in SF ber das Inter-Net gebucht.Sein Bchlein hat er mir in einer persnlichen Mail angezeigt und ich habe 2 Exemplare gekauft.Er schreibt wie er spricht und zeigt viel innere Beteiligung.Lange,verschlungene Geschichten sind

nicht sein Ding. Er gibt sehr persönliche Eindrücke und Situationen bedacht preis und zeigt viel Empfinden und Engagement für die Umwelt. Er liebt die Natur.

Kurzbeschreibung Fish Camping takes place during the time span of 1996 to 2002. It is a collection and recollection of family adventure travel stories, with a dash of humor, and involving culinary tidbits for the reader to devour. The stories usually take place during summer on the way to see family and relatives in Germany and France. Cultural observations are duly noted and expanded upon on these trips. Further travel stories take place in the USA, exploring California, Oregon and Arizona. A brief visit to the East Coast is included too. Numerous watercolors and drawings enhance what has not been left to the reader's imagination. Kurzbeschreibung Fish Camping takes place during the time span of 1996 to 2002.
