KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Well-researched, thought-provoking, and challenging. Von Ein KundeLTC Kern's Flight Discipline gives the reader an enormous education on professionalism in the cockpit in just under 400 pages. His book is one that should be on the required reading list for any serious pilot, especially those in crewed aircraft. It will make you a better pilot. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good read Von Michaela sThis boko is a good continuation in the Series For Professional Pilots a valuable Addition in one's Personal Library tumbes up

KurzbeschreibungFlight Discipline is the complete tool kit for any aviator, whether military, commercial, or recreational, to develop the crack discipline needed to be a safe and effective aviator. Major Tony Kern analyses the causes of poor flight discipline, gives chilling case studies of the consequences, and lays out a plan for individual improvement. Key words are italicized and review questions included for each chapter. An unequalled guide to this mainspring of good piloting.
