Aiming to occupy the middle ground between the context-heavy luggage fillers and the context-free thinner volumes, the main USPs of these user-friendly guides are the plentiful 'Insider tips' dotted around each edition, the maps they're packaged with, and the pocket cheering price (GBP5.99 each). Complete with near-magazine style features, they're certainly a less intimidating proposition than some of the big wedges on offer. Mrs Lucinda Culver: Just had a lovely visit to Florence... Your Guide was EXCELLENT! We were directed to special sights and delicious restaurants with an excellent map system! Bravo! Where ever I go in the future I shall pack a Marco Polo!KurzbeschreibungTravel with Insider Tips to this beautiful city full of architecture, heritage, and love!
