Von Virginia Woolf : Flush: A Biography (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Flush: A Biography (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. "You see this dog..." elizabeth barrett browningVon Ein KundeI bought and read Flush with some scepticism. While I can't praise Virginia Woolf enough, I tend to shy away from animal stories. Flush, however, is the exception to the rule. My scepticism soon dissipated and I was thrown into a world more human than most written worlds. Flush is among the most sympathetic and beautiful character sketches I have ever come across. This is a very different book for Woolf and I couldn't be more glad that she took the chance to write something that seems so trivial. There is feeling of release in the way it is written, but it is not flippant. Rather, it makes the character of Flush that much more accessible to the reader.0 von 0 Kunden fanden die folgende Rezension hilfreich. Insight into life and romance of Elizabeth Barret and timesVon Ein KundeI found "Flush" a sentimental story of a moment in the life of Elizabeth Barret. Her romance with

Robert Browning and some insight into her father's lack of understanding of his daughter's hunger. THIS BOOK REMINDED ME OF "White Fang" by Jack London which should be reread. Good insight into the Marlybonne area of London and the presence of deprived and poverty in London just in back of the elegance of Wimpole Street. I will try to get all my dog loving friends to read this book especially those with Cocker Spaniels. Flush's life is a metaphore for all those natural emotions of human beings and we do not know of the emotional hunger of animals. We have a very real imaginative feeling for the humanity of dogs who give so much love unselfishly to their masters who do not have to offer much. Flush gave up much to be a lap dog for Elizabeth. His waiting for the postman to ring the bell with the letter from Browning was a beautiful descriptive side to the book.0 von 0 Kunden fanden die folgende Rezension hilfreich. One of he worlds luckiest Cocker SpanielsVon G. ChristieUpfront I have to confess we share our lives with two English Cocker Spaniels, and this in turn gives some insight into the minds of these dogs. Flush is very much the happy cocker spaniel and Virginia Woolf captures his character superbly. Virginia's portrayal of Flush shows a significant understanding of these dear animals (she did have one herself). This biography of Flush is very much an insight into the Cocker's mind. The primeval alusion to "span" is intriguing, if possibly mythical, but it gives a great depth of history to our cockers. This book is light hearted and avoids the heavy cloud of despair usually portrayed in the Barretts of Wimpole Street, although that is the setting of the first part of the book. Flush's last moment did bring a tear to my eye, but he was a lucky and well cared for dog. Although I purchased the paperback here at , I managed to find a first edition at a second hand book shop and I bought this without hesitation.

KurzbeschreibungVirginia Woolf (1882-1941) was a legendary English writer and a significant figure in the London literary society. Woolf was also a feminist and her semi-biographical novel Orlando is considered an important work in the history of womens writing. Woolf also wrote many other classics including Mrs. Dalloway, To the Lighthouse, and A Room of Ones Own.This edition of Woolfs Flush: A Biography includes a table of contents.KurzbeschreibungVirginia Woolf (1882-1941) was a legendary English writer and a significant figure in the London literary society. During the interwar period, Woolf was a significant figure in London literary society and a member of the Bloomsbury Group. Her most famous works include the novels Mrs. Dalloway (1925), To the Lighthouse (1927) and Orlando (1928), and the booklength essay A Room of One's Own (1929), with its famous dictum, "a woman must have money and a room of her own if she is to write fiction."
