Von Ralph Fletcher : Flying Solo before purchasing it in order to gage whether or not it would be worth my time, and all praised Flying Solo:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. St. Gerard Gr. 6-Liked it!Von Barbara A. FlynnI read Flying Solo aloud to my 6th grade class. They had previously heard Someone is Hiding on Alcatraz Island. Flying Solo doesn't have the mystery of Alcatraz Island, but it deals with other important issues for 6th graders today. One student thought it was "neat" to hear the story through the various characters' point of view. I had them write a letter to me when we finished. They were to tell me their opinion and they

were to answer the question: Have you ever mistreated a student in this class? They were very honest. I loved it. My class didn't feel they could ever "fly solo." (They're right next door to the school office.) Enjoy this book. We did!

0 von 0 Kunden fanden die folgende Rezension hilfreich. ONE OF THE BEST BOOKS EVER WRITTEN! Von Chris Missonak Flying Solo made me cry so many times it's not even funny. The heart-warming story of selective mute Rachel White, Sarcastic puppy-loving Bastian Fauvell, shy drunken-fathered Sean O'Day, and future chief justice of supreme court Jessica Cooke, will guarantee to change your life. The story is about a very non-typical April 28, the sixth month anniversary of the death of Tommy Feathers a kid who had a huge crush on Rachel, where Mr. "Fab" Fabiano's class is left without a teacher. This day is narrated by Rachel as she goes through a day like no other. A day where "Kids Rule!"

Von Ein Kunde Because I so enjoyed reading Fig Pudding, I was really looking forward to Ralph Fletcher's newest book. Upon reading this story; however, I feel Flying Solo is not up to par. A great plot idea, but Fletcher does not develop this idea in a "page turning" enjoyable way. I have used Fig Pudding with my 4th graders, but will not recommend nor read this book to them. I have worked with Ralph Fletcher on many occasions and feel he is a brilliant writer and teacher of writing. Flying Solo falls short of his extraordinary storytelling gift.

Kurzbeschreibung When the substitute for Mr. "Fab" Fabiano never shows up and his sixth-grade students are on their own, they set out to prove that they can run the class by themselves. With a little ingenuity and some careful planning, they might just succeed. But when a fight breaks out between Bastian Fauvell and Rachel White over a classmate, Tommy Feathers, who died six months earlier, everything begins to fall apart. Can Rachel deal with the anxieties that plunged her into silence the day Tommy died? Inventive and uniquely constructed, "Flying Solo" follows Mr. Fab's students hour by hour as they tackle the challenges of an unusual school day.
