usefullVon Karl Heinz it was a great tip book which made me stay much more calm than before , I'm gonna fly with my baby girl who is 3 mth old now.now I felt better.

KurzbeschreibungAre you dreading your babys first flight? "Can I bring breastmilk through security? And what about her ears popping during takeoff and is my car seat certified to bring aboard?" Blogger Meg Collins (CPST) of LuciesList.com addresses all of the commonly asked questions and concerns about flying with your baby. With input from veteran flyers and flight attendants, youll learn exactly how to get from A to B as easily as possible.Topics include:- Buying tickets- Where to sit- How to score a free seat- Dealing with you car seat stroller- Getting through security- Breastfeeding pumping- Keeping your baby happy- Feeding moreI was so nervous about our first flight with baby Darren, but your book put me at ease and prepared me for everything I needed to know. Thanks!! Janice McCulloughThis book is funny and informative, in classic Lucies List style. We had NO problems on our first flight. Thank you!!
