Von Anelia Schutte : For The People before purchasing it in order to gauge whether or not it would be worth my time, and all praised For The People:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A fascinating read Von Customer The small town of Knysna didn't go unscathed through apartheid's racist laws and

oppression. Here is a true life experience backed by thorough research and honest writing. The author accurately describes the conditions in which many South Africans had to live during apartheid as well as the complex situation her mother found herself in. A must-read for everyone who has ever visited the lovely town of Knysna in the Garden Route as well as for those who are planning to visit this beautiful part of South Africa.

KurzbeschreibungA true story of small-town apartheidAnelia Schutte grew up in Knysna a beautiful town on the coast of South Africa, centred around a picturesque lagoon and popular with tourists. But there was another side to Knysna that those tourists never saw. In the hills surrounding the town with its exclusively white population lay the townships and squatter camps where the coloured and black people were forced to live. Most white children would never go to the other side of the hill, but Anelia did. Her earliest memories are of being the only white girl at a crche for black children that her mother, Owna, set up in the 1980s as a social worker serving the black community. Thirty years on, Anelia, now living in London, yearns to find out more about her mothers work, and to understand the political unrest that clouded South Africa at the time. She returns to Knysna to find the truth about the town she grew up in, from the stories and memories of the people who were there. For the People is an exploration of apartheid South Africa through the eyes of Owna a white woman who worked tirelessly for the black people of Knysna and found herself swept up in their struggle. They called her Nobantu: for the people'. KurzbeschreibungA true story of small-town apartheidAnelia Schutte grew up in Knysna a beautiful town on the coast of South Africa, centred around a picturesque lagoon and popular with tourists.
