Von Anthony Hyde : Formosa Straits (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Formosa Straits (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Anthony Hyde Von W. E. Jonas Ein spannender, vorzüglich recherchierter Thriller: Verfolgungsjagd von Taiwan über Hongkong bis ins moderne Schanghai. Der kanadische Autor ist Kenner Asiens. Die Erzählerfigur beherrscht die chinesische Sprache, der Autor ist mit den historischen und politischen Hintergründen bewandert. So entstand eine anspruchsvolle,

packende Geschichte ähnlich den zwei früheren Romanen Hydes.

Kurzbeschreibung When Chinese-American entrepreneur Nick Lamp pays a visit to Taiwan's shady underworld boss Cao Dai, he's hoping for a promise of investment. But what he finds is Cao's dead body, and suddenly he is in the midst of a police investigation as the main suspect. His run to safety takes him through an unravelling web of false identities, duplicitous women, corporate espionage, and shocking revelations that could lead to Nick's own death. One thing is clear: Nick has been framed and he's the only one who can find out why. His search for proof of his own innocence carries him from modern-day Taiwan and Hong Kong all the way back to prewar Shanghai. Along the way he learns to trust only one person: himself. *Formosa Straits* is a gripping thriller and a fascinating voyage into a mysterious culture that is an all-stops-out thrill of a ride. **Praise for Anthony Hyde:** One of the brightest, freshest new voices to appear in the international thriller business in a long time. USA TODAY 'An intricately woven tale of love, murder, and family set in the new Asia.' Kirkus Anthony Hyde was born in Ottawa, Canada, in 1946, to a book-loving family, and spent a number of years as a political science student and activist before turning his hand to writing. His first novel, *The Red Fox* (1985), became an instant bestseller worldwide. Endeavour Press is the UK's leading independent digital publisher.
