GoodVon Ein KundeI enjoyed this book. It provides an excellent run-down of the most influential theologies of the

20th Century. However, there is virtually no mention of conservative theologians.

KurzbeschreibungA reader-friendly, basic introduction that maps the central ideas of the major theologians of the twentieth century, easily accessible to both the theological student and the inquiring lay reader.KurzbeschreibungA reader-friendly, basic introduction that maps the central ideas of the major theologians of the twentieth century, easily accessible to both the theological student and the inquiring lay reader.ber den Autor und weitere MitwirkendeEd L.
