Von Veronica Roth : Four: A Divergent Collection (Divergent Series-Collector's Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Four: A Divergent Collection (Divergent Series-Collector's Edition):

Nothing is gained by changing the perspectiveVon Alexa S.I do not agree that there is any relevant new information in these short stories. Everything mentioned here was already hinted at in the book. And it really was more interesting to guess

his motives behind his actions than reading them plainly laid out. It leaves his character less interesting as I thought him in the book. 1 von 1 Kunden fanden die folgende Rezension hilfreich. wer die anderen 3 Teile gelesen hat Von Kerstin sollte auch dieses Buchlein lesen-auch wenn es nicht gerade eine Höchstleistung von Mrs. Roth war, ist es doch sehr interessant zu wissen wie Tobias Four wurde und warum-obwohl es meiner Meinung nach etwas an Tiefe fehlt. 3 von 4 Kunden fanden die folgende Rezension hilfreich. Knife-Throwing Scene?! Von Nutzer Liked the book more than expected, the one thing that made a minus in my eyes is that the "Free Four-Tobias tells the knife throwing scene" wasn't included. It was just a ebook story as all the rest of them , so why leave it out of this supposed complete FOUR collection?

Kurzbeschreibung Fans of the Divergent trilogy by #1 New York Times bestselling author Veronica Roth will be thrilled by *Four: A Divergent Collection*, a companion volume that includes four pre-Divergent stories plus three additional scenes from Divergent, all told from Tobias's point of view. This collection also makes a great pick for fans of the blockbuster movies who want to delve deeper into the character played by Theo James. Readers first encountered Tobias as "Four" in Divergent. His voice is an integral part of Allegiant. Readers will find more of this charismatic character's backstory told from his own perspective in *Four: A Divergent Collection*. When read together, these long narrative pieces illuminate the defining moments in Tobias's life. The first three pieces in this volume "The Transfer," "The Initiate," and "The Son" follow Tobias's transfer from Abnegation to Dauntless, his Dauntless initiation, and the first clues that a foul plan is brewing in the leadership of two factions. The fourth story, "The Traitor," runs parallel with the events of Divergent, giving readers a glimpse into the decisions of loyalty and love that Tobias makes in the weeks after he meets Tris Prior. Also includes three additional scenes from Divergent, told from Tobias's point of view! And don't miss Veronica Roth's thrilling novel *Carve the Mark*.

(Perez Hilton.com) "A memorable, unpredictable journey from which it is nearly impossible to turn away" - Publishers Weekly "A taut and shiveringly exciting read! Tris is exactly the sort of unflinching and fierce heroine I love. I couldn't turn the pages fast enough." Melissa Marr, bestselling author of *Wicked Lovely* "DIVERGENT is a captivating, fascinating book that kept me in constant suspense and was never short on surprises. It will be a long time before I quit thinking about this haunting vision of the future." James Dashner, author of *The Maze Runner*
