Von Jon Hassler : Four Miles to Pinecone (Fawcett Juniper) before purchasing it in order to gage whether or not it would be worth my time, and all praised Four Miles to Pinecone (Fawcett Juniper):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A good

clean book to read for fun!
Von Ein Kunde
The book was about a teenage boy who that any teenager can relate to. I can relate to this story because I live in rural Minnesota and know what Hassler is writing about and any one else I would think could just jump right in and feel comfortable because he did so well and making and describing the scenes. I also feel the author did a good job in telling this story with out making the story sound like a lesson I just picked it up along the reading. I also liked that this was an easy to read story it made it so I wanted more to read, so I went to other books by Hassler. Pesonally, I enjoy reading books that go by quickly and are not 700 pages long. I enjoy reading Jon Hassler and intend to read more of his books.

Von Ein Kunde
This is an interesting story by an excellent author. It makes a point about decisions everyone must make to do the right thing or take the easy way out. Part of the story is set in town in the world of a teenager--school, part-time job, friends, etc. Part of the story is set in a rural area of wildlife and cabins. Anyone of any age should enjoy this fast-reading story. All of Mr.Hassler's books are top-notch; this one for young people is also. It makes a good point without being preachy.

Von Ein Kunde
Where does one start on this book. It is one of the worst books I have ever read in my life. The characters are developed horribly, the story is dull and to top it off, it is sloppily written. There is no suspense, there is no drama, heck, there's no plot. There's not much to the book, but what's there is truly awful. I would not, could not recommend this book with a straight face to anyone.

Kurzbeschreibung
Tom Barry's summer starts off bad and only gets worse. He not only has to write a paper during the summer, but he sees his best friend rob a store. He doesn't tell a soul about it, but then later in the summer, at his uncle's resort in the Minnesota woods, Tom becomes part of something much worse. The stakes are higher and this time his life is on the line.
From the Paperback edition.
