Von Henryk, 1846-1916 Sienkiewicz : In Desert and Wilderness before purchasing it in order to gage whether or not it would be worth my time, and all praised In Desert and Wilderness:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. For all agesVon Roberto T HelgueraUnlike other reviewers, I read this book at age 32. I happened to go on a Sienkiewicz binge. I loved it, even then. It is a wonderfully written book about two children's adventures in Africa. A tale of heroism with a romantic view of life. A good, clean, easy read for all ages. So, maybe it is an "Out of Africa" for young teenagers or older children, but above all, it is just plain good literature, worth having in your personal library for anyone at home to pick up. Best if read in the leisure of summer afternoons.0 von 0 Kunden fanden die folgende

Rezension hilfreich. Nicholas Roeg's WALKABOUT in print w/o puberty issues. Von Ein KundeI devoured this while on vacation at age 10. The two children facing dangers from adults and the African wilds were very convincing. Sienkiewicz may have written down to the youth of his era but for today's less accomplished readers the level is just challenging enough to make one feel an equal to the protagonists. I also remember that there is just enough intervention/assistance from fates adults to make the triumph over obstacles real.0 von 0 Kunden fanden die folgende Rezension hilfreich. Very good book for youngstersVon Ein KundeI read this book 30 years ago at the age of 7. It was an old, torn book, that belonged to my grandmother, and was read by all the youngsters in the family. It's an excellent book describing the adventures of a young boy and girl in the desert. It has a taste of reality to it, I was able to fully identify myself with the main hero. Too bad the book is not promoted here in the US.

KurzbeschreibungHardPress Classic Books SeriesKurzbeschreibungHardPress Classic Books SeriesSynopsis
Translated by Miroslaw Lipinski. Sienkiewicz's late 19th century novel beloved by Poles, is given new life in this modern translation.
