Von Dr. Marjorie Hewitt Suchocki : In God's Presence: Theological Reflections on Prayer before purchasing it in order to gauge whether or not it would be worth my time, and all praised In God's Presence: Theological Reflections on Prayer:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Reasons for Relationships Von T. Haller This is a mind-opening book that gives a real reason to pray, placing prayer in the context of our active relationship with God. The first few chapters also offer a clear but simple exposition of "process

theology" --- a sometimes daunting way of looking at God and our relationship with God, but here built up in words of one or two syllables. The chapter on death and the dying is among the best essays on this subject I've ever encountered, and it makes profound pastoral and spiritual sense, and speaks to both mind and heart.0 von 0 Kunden fanden die folgende Rezension hilfreich. In God's Presence: Theological Reflections on Prayer Von Trudy L. Franzen This book is the perfect text for someone who is ready to move beyond the common definitions of prayer. Prayer is more than simply conversing with God, according to Suchocki. This book was a fantastic challenge for me. I have been a Christian over 30 years, and this book helped me see prayer in a new way. The chapters on intercession and prayers for healing were exceptional.

Kurzbeschreibung Suchocki explores the dynamics of prayer. "If," she says, "we regard prayer as a partnership with, not a manipulation of, God, we can find whole new dimensions in our prayer life." Kurzbeschreibung Suchocki explores the dynamics of prayer. "If," she says, "we regard prayer as a partnership with, not a manipulation of, God, we can find whole new dimensions in our prayer life." Buchrückseite What are we really doing when we pray? Are we communicating with God or merely talking things over with ourselves? If you've ever asked yourself questions like these, this book is for you. In it, a distinguished theologian explores the dynamics of prayer: what it is, what it isn't, and how various kinds of personal and corporate prayer work to bring us into the presence of God.
