Von Richard Wurmbrand : In God's Underground (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised In God's Underground (English Edition):

KurzbeschreibungImprisoned by the Romanian Communists for his work in the Christian Underground, and subjected to medieval torture, Wurmbrand kept his faithand strengthened it. For fourteen years, he shared that faith with suffering cellmates and gave them solace. In solitary confinement, he tapped out his message of hope and Christian love. In Room Four, the death room, he helped dying patients even though his lungs were riddled with tuberculosis

and his body lacerated and bloody from whips and kicks. Anguished over the fate of his wife and son, he could still tell jokes and stories to make despairing prisoners laugh. Sorely tempted by the promise of release and reprieve, he refused to become a Communist collaborator. And the miracle is that he survived. With humble gratitude to God and Christ, he tells his personal story. Its an inspiring drama of triumphant faith.
