**Von Dougal Haston : In High Places** before purchasing it in order to gage whether or not it would be worth my time, and all praised In High Places:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good,

but short  
Von Ein Kunde  
This was a very interesting account of some big time climbs by one of the premier climbers of his day. His style is very direct, without the need to be overly critical of other climbers (a la Krakauer). He also manages to get into the discussion of climbing ethics with an elegantly simple statement of what it means to him, unlike some other climber/writers who use ethics to throw around blame for accident under the guise of ethics. The only thing I was disappointed in with this book was that it just seemed to stop out of the blue, almost as if he paused before he finished it, and then forgot to get back to it. All in all, though, a very good read.  
0 von 0 Kunden fanden die folgende Rezension hilfreich. A superb yet modest summary of a brilliant climbing career.  
Von Ein Kunde  
A sequence of breathtaking adventures from childhood onwards in which Dougal surpasses the achievements of most world class climbers of his day.

Kurzbeschreibung  
In his own words Dougal Haston covers the years from his childhood in Scotland, where his love of climbing was first sparked, through to his development into perhaps the most formidable climber of his generation; his reputation was forged by his successful ascents of familiar peaks by unfamiliar routes (of which the most famous was the Eiger Direct). Infused throughout with his passion for climbing and his great determination to succeed, *In High Places* is a compelling and eye-opening portrait of the climber as a young man and a must read for all those with an interest in mountaineering.  
Pressestimmen  
A fascinating book both as an insight into one of Britain's most intriguing climbers and also as an account of a particularly rich period of British climbing history.--Chris
