The five pages of Chapter 23 are worth the price of the book. It makes heaven, our real home, come alive. Full of very significant counsel on how to live "in light of eternity". A wonderful book for those who have terminal illnesses or who are dealing with the death of a friend or loved one. We gave out 20 to family members on the death of my mother in law. With the authors permission I quoted

extensively from the book for a funeral message and had very positive feedback from those in attendance.0 von 0 Kunden fanden die folgende Rezension hilfreich. Thank you, thank you! Von Ein Kunde I have read this book once, now my husband and I are reading it during our devotional time. I am also going through each chapter looking up each reference. "Deadline" was wonderful, now I have scripture to back it up. Thank you so much for this wonderful little book that has so "enlightened" us about things in heaven we had never thought about. I don't think I will ever "finish" this book. I am telling my friends about it and buying several to give away. I give it a very high recommendation.

Kurzbeschreibung In bestseller after bestseller, Randy Alcorn has held readers spellbound with fast-paced, gripping fiction infused with eternal themes. Now, he responds to the widespread hunger for more insight on this subject with a straightforward, real-life look at heaven, rewards, and how to live in light of eternity. The deepest longing of your heart is for one person and one place. Jesus is that person. Heaven is that place. A thousand counterfeits vie for your attention, trying to convince you that they are what you're looking for. But you'll never find true satisfaction with what this world has to offer. What you really crave can only be found in the land of substance: Heaven. In Light of Eternity will grip your soul and open your eyes to the realities of Heaven. Far from boring, Heaven promises to be an exhilarating adventure in which every chapter is better than the one before. With clear biblical teaching and illustrative stories and reflections, Alcorn shows how your life today will impact the eternal reality that awaits you. Let this book guide you into discovering how wonderful your eternal future will be--and what you can do now to prepare for it. From the Hardcover edition.

Autorenkommentar Why I wrote this book and what it deals with I really enjoyed writing In Light of Eternity. It's a short book, concise, citing many passages of Scripture that give us a cumulatively substantial picture of heaven. I wrote it largely in response to the thousands of letters and questions from readers of my novels *Deadline*, *Dominion* and *Edge of Eternity*. They've asked why I portray heaven (and hell) as I do in these books. (In ILOE I cite brief passages from all three of those novels.) In Light of Eternity is full of answers to those reader questions--including what will we do in heaven, will we remember family and friends and events on earth, can those in heaven see what's happening on earth, will there be animals, what's the nature of rewards, etc. The Bible tells us much more about heaven than is often assumed. In a day when speculation and subjectivism about heaven runs rampant, I found it refreshing to carefully examine what Scripture says. Readers tell me they've given it to those who've lost loved ones and those facing death themselves. I'm getting lots of encouraging responses from it, and I'm always interested in reader feedback. If you read ILOE, please email me at [ralcorn@epm.org](mailto:ralcorn@epm.org) and tell me what you think. Thanks!
