Das Herz hinter den Erweckungspredigten!Von David B.Am Anfang etwas zh, aber nach dem ersten Viertel nimmt Tomlinson Fahrt auf und dann legt man das Buch nur noch ungern aus der Hand. Man lernt viel ber das Herz von LR kennen, besonders die Briefe am Ende zeigen seine sehr herzliche, liebevolle Seite.Absolut lesenswert!0 von 0 Kunden fanden die folgende Rezension hilfreich. Great BookVon Julian BraunThis Biographie Shows very much of who ravenhill was and what our Generation can Learn from him . The Content is large, so its Taking Some Time to

read through it - but its absolutely Worth it.

KurzbeschreibungRavenhills spiritual life, uniquely marked by experiential godliness, was from its beginning rooted in eighteenth century English Methodism. Had he lived two hundred years earlier, he could have been one of the men laboring in the gospel with John Wesley or George Whitefield. His grandmother, mother, and father were all converted to Christ through that spiritual heritage. Converted at age fifteen, Ravenhill later trained for Christian ministry under the saintly influence of Samuel Chadwick at Cliff College in England. Characterized by a deep life of prayer, passionate evangelistic zeal and a powerful preaching gift, his ministry drew traffic-jamming crowds in the British Isles during the 1930s and 1940s. Along with D. Martyn Lloyd-Jones and J. Edwin Orr, Ravenhill was one of the few specialists in the 20th century regarding the message of genuine revival and spiritual awakening.
