KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This book was very informative and helpful.Von Ein KundeThis book was very helpful. However, it gave too much advice about things I am good at. Such as skating, simple shots, etc. This is the ideal book for beginners and those who want to get started.

KurzbeschreibungEndorsed by the National In-Line Hockey Association and the International In-Line Skating Association, this guide is a complete introduction to in-line skating with an equal emphasis on safety and fun.
