**Von Max Lucado : In the Eye of the Storm** before purchasing it in order to gauge whether or not it would be worth my time, and all praised In the Eye of the Storm:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Life changing, motivating to get you through life's struggles Von Barbara Buckner I read this book recently after the death of a very close uncle. I was a dark time of my life, and Max Lucado helped me to realize that Christ faced such a day in his life. I have never read such simplistic chapters with such profound meaning. Since that time, I have given over 10 copies of this book away. Those people include various friends, co-workers, and family members who are going

through difficult times such as a death, loss of job, or another one of life's many serious struggles.0 von 0 Kunden fanden die folgende Rezension hilfreich. We can know He also knowsVon Ein Kundehere is the best work from a wordsmith of the highest rank. God has used max to show us that when, not if, "storms" come into our lives, there is a Savior who hurts along with us, relating His experience with ours. we are able to see along with max how a real Jesus dealt with real issues. storms that seem like they will destroy. we are able to see that the confidence He had can be ours also. we can find a calmness inside the middle of the storm, its eye. we are able to see a picture of a God who is bigger than the "storm" over it, seeing that we grow in ways we never dreamed and learn to trust in Him through it all. in the end, peace...that His children are safe and He is in total control. i have a standing promise... if you buy this book and do not like it... i will buy it from you. it is that powerful! (55 satisfied 0 refunds) you will be 56. be blessed.0 von 0 Kunden fanden die folgende Rezension hilfreich. Max Lucado has a real passion for relating to Jesus lifeVon Ein KundeIn The Eye Of The Storm by Max Lucado reads a lot like a devotional. With it's 28 chapters and conclusion, it makes a great devotional. The questions that are designated for each chapter are great for reflecting back on what you read and help to give an understanding of what it was like in a day in the life of Jesus. Max Lucado writes with such eloquence when writing of Jesus. His passion for relating Jesus life to the every day positive and negative situations that we are faced with, makes this book a read for the heart.

KurzbeschreibungOne day in the life of Christ.Call it a tapestry of turmoil: A noisy pictorial in which the golden threads of triumph knot against the black, frazzled strings of tragedy.Call it a symphony of emotions: A sunrise-to-sunset orchestration of extremes. One score is brassy with exuberance -- the next moans with sorrow.Whatever you call it -- call it real. Author Max Lucado calls it "the second most stressful day in the life of our Savior." Before the morning becomes evening Jesus has reason to weep, then run, then shout, the curse, then praise, then doubt. Within a matter of moments his world is turned upside down.Sound familiar? The pink slip comes. The doctor calls. The divorce papers arrive. The check bounces. The life that had been calm is now chaotic. The world that had been serene is now stormy. Assailed by doubts. Pummeled by demands.If you've ever wondered if God in heaven can relate to you on earth, then read and re-read this pressure-packed day in the life of Christ. It is the only day, aside from the crucifixion, that all four gospels recorded. Lucado has interwoven their accounts in such a way that you will be assured that God knows how you feel.And you will be assured that within every torrent there is a calm center -- a place you can stand when your world gets windy.
